FINANCE & INSURANCE SERVICES

Once you have chosen your new vehicle, one of the most important things you can do is to protect your investment and yourself on the road. Finance and Insurance requirements need to be tailored to you to ensure appropriate protection and requirements are catered for.

Dealership Finance Experts: Our accredited dealership Business Managers are specialists in vehicle lending, delivering financial solutions based on your automotive needs and budgetary requirements.

Wide range of finance options: We make sure you know all the finance options available for you both individually or for your business. These include:

- » Fixed Rate Consumer Loans
- » Commercial Hire Purchase Agreements
- » Finance Leases
- » Novated Leases
- » Guaranteed Future Values with Selected Manufacturers
- » Structured Loans

Extensive range of insurance options: Everyone is different and we all have individual needs and priorities. That is why, when the unexpected happens, it's important to have the right cover.

Our Insurance range includes:

- » Motor Vehicle Insurance
- » Warranty Insurance
- » Loan Protection Insurance
- » Return to Invoice
- » Guaranteed Asset Protection Insurance
- » Loan Termination Insurance
- » Total Assist Insurance

For further information, talk to your dealership about the vehicle insurance solutions to suit your needs.
